

# ABOUT US

BANSAL CONTRACTOR TRADER ARE WORKING HAVE SINCE 2006 YEAR

We are manufacturing and distributing of Electric Control Panels. Designing Illumination: A Glimpse into a Company's Journey in Crafting Decorative Pole Lights, LED Street Lights. Flood Lights, Highway Lights.

Our journey starts with the company's humble origins. Founded by a passionate team of lighting enthusiasts, their dream was to combine functionality with artistic flair in the realm of outdoor lighting. One of the primary objectives of the Bansal Contactor & Trader company was to create pole lights that not only provided illumination but also added an element of beauty to their surroundings. This unique blend of aesthetics and functionality became their signature style.

## Mission

To provide customer satisfaction, through teamwork, based on honesty and integrity, for continuous growth and development. With the inspired challenge, we will add value to life and together.

## Vision

While the company's roots may be local, their vision is global. This vision would ultimately lead to the birth of their flagship product, decorative pole lights. Yes, customization is our specialty! We work closely with clients to bring their visions to life.

## Value

To provide customer satisfaction, through teamwork, based on honesty and integrity for continuous growth and development. With the inspired challenge, we will add value to life and together.
